

RED HAWK ELEMENTARY PRESENTS

This is your chance to be a part of Red Hawk's Spring 2024 presentation of Matilda Jr.! We are looking for students who want to act, sing, dance, set design, crew, and delight the audience in this thrilling tale of a young girl who showed there is power to change the world in all of us!

All students are invited to participate in the chorus. Auditions for acting roles will be held Tuesday, November 28th from 3:50-8:30 p.m. Parts will be delivered to students before winter break. The cast is determined purely on audition performance and is cast by DeAnna Clink (Thunder Valley Music Teacher/Theater Music Director), Caleb Smith (Legacy Elementary Music Teacher) and Abby Martinez (Erie Middle School Choir Director). Depending on the number of students auditioning it is possible not everyone will be cast. Students will be asked to sing a 1-2 minute song from Matilda Jr. If they are auditioning for a part that has a speaking role, they will need to perform a reading of the script. Audition material for each role is available at <https://www.rhesmusical.com>

** Information on set design crew will be dispersed at a later date.

Fee: \$175 (covers script, t-shirt, costume rental, cost for backgrounds, props and supplies) - due by first practice, January 9th, after parts are chosen.

** All fees are payable via RevTrack
